1. Introduction

- 1.1. These supplementary terms and conditions, which form part of our standard terms of use (the “Terms”), may change from time to time and apply to all clients who have an account with Deriv (BVI) Ltd, licensed under the Securities and Investment Business Act and Financial Services Commission Act to carry on investment services, authorised and regulated by British Virgin Islands Financial Services Commission (“BVI FSC”).
- 1.2. If there are any inconsistencies or deviations between these supplementary terms and conditions and the rest of the documents on our [Terms and conditions](#) page, these supplementary terms and conditions shall prevail. If any material changes to any of these terms and conditions are made, you will be notified and have the opportunity to either accept or reject the new terms and conditions.

2. Handling your funds

- 2.1. We may use your money to meet obligations that we have incurred in margining, adjusting, or settling your derivative trades.
- 2.2. We keep your funds in bank accounts that are separate from our operational accounts. In the event of insolvency, we have loan arrangements between us and our parent company that will always, at minimum, cover any liabilities owed to clients.

3. Account closure

- 3.1. You can close your account yourself or ask us to close it for you. However, you can only close your account and withdraw any pending funds if you do not have any open trade positions and have complied with the requested Know Your Customer procedures.
- 3.2. If you do not comply with the Terms, we may close your account upon giving you 7-days notice and where appropriate, withhold any funds accumulated in it.

4. Order execution

- 4.1. Pursuant to our licensing condition, we act as an agent on your behalf when we execute your orders, and we are not the counterparty to your trades.
- 4.2. When an order is placed to buy or sell an instrument on your DMT5 account, your order is passed through to a liquidity provider that provides services to us. We do not undertake any position taking on your trades.
- 4.3. We conduct proper due diligence on all liquidity providers and ensure that the venues we use are regulated by a recognised supervisory or regulatory authority.
- 4.4. Our order execution policy includes a set of procedures that are designed to obtain the best possible execution result for you. To do so, in addition to the factors set out in the Order execution section in Trading terms, we will also consider the size and nature of an order. If your orders do not exceed our exposure limits, your account limits, and the volume limits for the symbol and if you have enough balance in your account, your orders will generally be accepted. With every trade placed, we have systems in place that automatically carry out a large exposure check. In the event that the new total exposure result would be greater than or equal to 25% of the eligible capital, the trade will not be placed.
- 4.5. We are the sole execution venue for all trades on synthetic indices trades on DMT5.
- 4.6. If we make any material changes to our order execution policy, we shall notify you.
